

Welcome to Cancon 2026

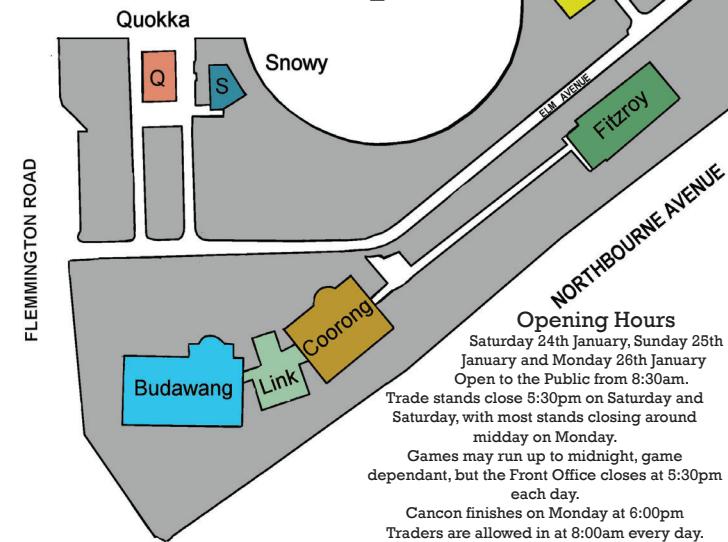

This map clearly shows traders and games, and their locations, but we also have the traders and the games listed, with their halls, so you can quickly find where they are and when their tournaments are playing.

Other important points to note:

- TOILETS are located in every hall - look for the signs in the halls
- A parents 'BABY CHANGE' room is located in C Pav - next to the female bathroom.
- The FRONT DESK is in link building. Pick up your t-shirts and Cancon dice here. T-shirts are usually available after midday on the first day of the Con, but look out for signs.
- The BRING AND BUY (second hand stall) is in Mallee
- ROLE PLAY GAMES are in Snowy Pavilion
- MAGIC THE GATHERING is in the Parkes room, in the Link
- All non-Magic the Gathering CARD GAMES are upstairs in C Pavilion
- THE CRIMSON BRUSH is upstairs in the Link
- If you have any issues while at the convention, ask one of your YELLOW vested minions. They wander around the venue and are also at Yellow Shirt Desks, located in each main hall, as well as the front desk area.
- This year, for the first time, there is a designated QUIET SPACE available. This is out the front of C Pav - Coorong. Look for the signs and please be respectful.

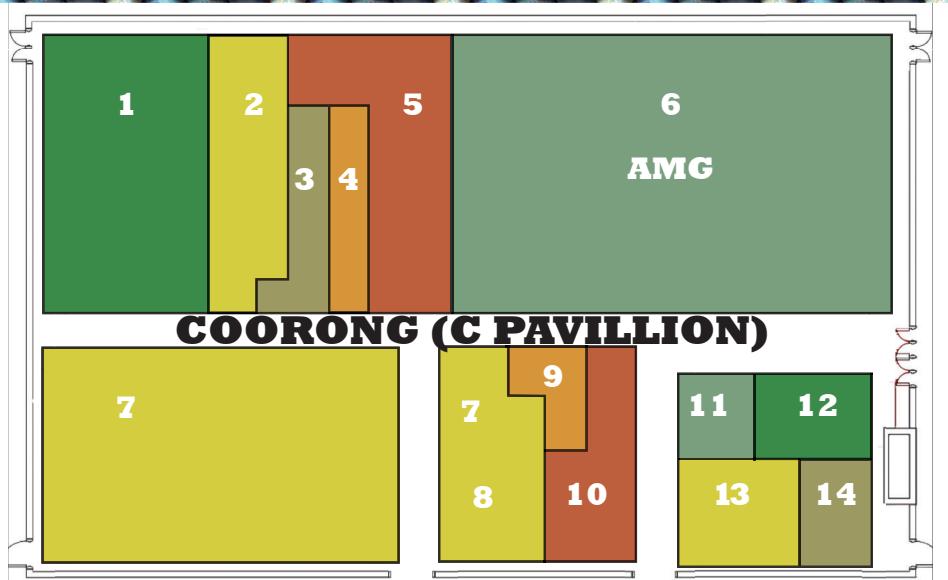

Thanks, Tim Sleigh, Canberra Games Society inc. Conventions Organiser.
